Just completed, the Bayberry floor plan in Creekwood Village offers a low-maintenance villa layout with the convenience of main-level living and the added bonus of upstairs space. The primary suite is located on the first floor, along with an open-concept living and dining area that flows easily into a screened porch with a stone fireplace, making it usable across the seasons. The kitchen opens to the main living space, creating a natural gathering spot. Upstairs includes two additional bedrooms, a full hall bath, a loft for casual hangouts or hobbies, a pocket office ideal for work or creative use, and a dedicated storage room. Details like a metal roof accent, oak stairs with wooden railing, and a two-car garage bring both style and function. Actual photos!,Quartz Counter,White Cabinets,Fireplace in Family Room
