6 Bedroom, 4.00 Bathroom, 4,085 sqft

Residential on 0.14 Acres

CRESTWOOD, WASHINGTON, DC

Open House 10/18 1-4PM

Welcome to 1755 Upshur Street Northwest, a distinguished mid century modern home nestled in the coveted Crestwood neighborhood of Washington, D.C. Crestwood is a hidden gem of NW DC, known for its quiet, tree-lined streets, historic homes, and close-knit community. Its proximity to Rock Creek Park makes it one of the greenest neighborhoods in the District, and it's diverse architecture makes it an especially appealing neighborhood in which to stroll. This lovingly and meticulously maintained six-bedroom, four-bathroom residence sits square in the heart of Crestwood, and boasts exquisite hardwood floors and sophisticated finishes throughout.

Greeted by a grand foyer, you'll find an elegant staircase and striking light fixture set the stage for the home's impeccable design. The warm, inviting living room features a beautiful exposed stone wall, and the adjacent dining room offers both everyday enjoyment or a setting for those special events. Flow seamlessly between these two rooms into a stunning solarium, which adds an extra touch of serenity to the main level.

The den, large enough to serve as a main-level bedroom, is complemented by a brand-new, spa-like bathroom. The kitchen is a chef's dream, with top-of-the-line cabinetry, stainless steel appliances, a wine

fridge, and an oversized pantryâ€”perfect for both cooking and entertaining.

Upstairs, four generously sized bedrooms await, including two beautifully renovated luxury bathrooms and a wide, open hallway that enhances the sense of space. The lower level offers even more versatility, with large laundry room, a gym (which could easily be a sixth bedroom), a recreation room, a home office, and a storage area.

Every detail of this home has been carefully curated, from custom window treatments to abundant natural light flooding every room. The outdoor property is similarly stunning, with an expansive, mature, and beautifully landscaped garden -complete with a low maintenance irrigation system- as well as blue flagstone patios and a detached two-car garage. This is a rare find you won't want to miss.
