Residential on 0.27 Acres

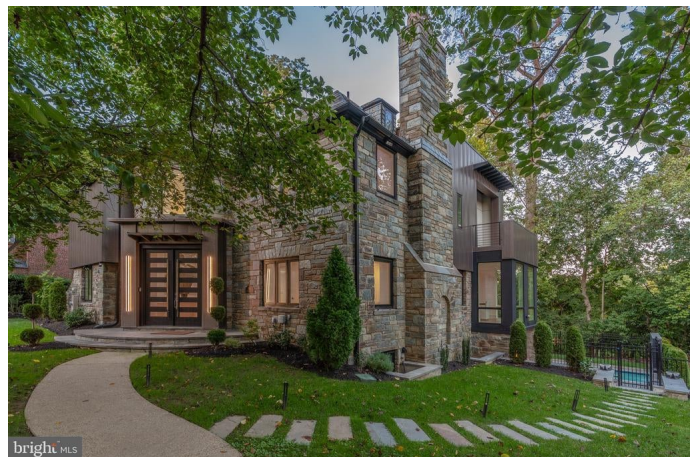

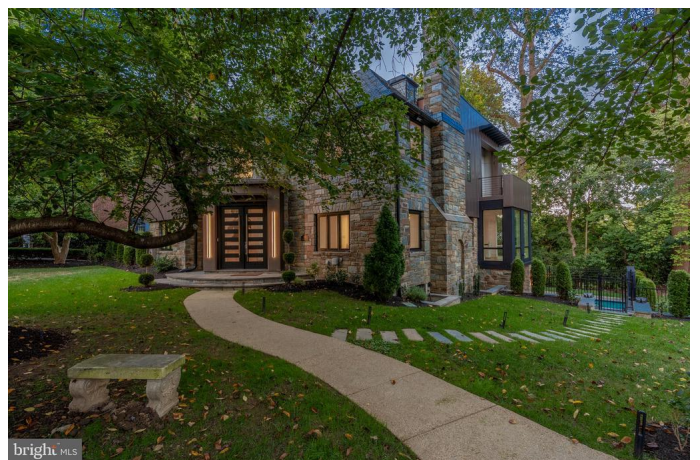

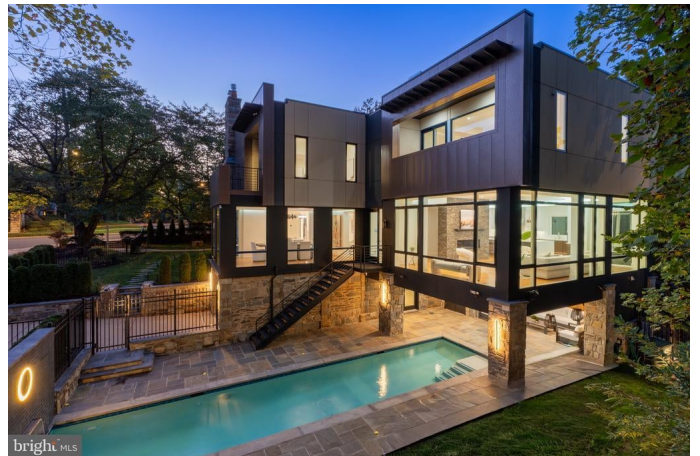

WESLEY HEIGHTS, WASHINGTON, DC

Motivated Seller - New Price! Presenting this striking Tudor revival, originally built in 1935 and reimagined with a bold, architectural vision by 3G Architects. Set along a leafy stretch of Foxhall Road, this 6-bed, 7.5-bath home offers over 8,000 square feet of elegant living space across four levels.

A soaring 18-foot foyer welcomes you inside, where clean lines, wide-plank white oak floors, and custom millwork set the tone. The formal reception room with sleek wet bar leads to a gracious living room and elegant dining room overlooking the pool and garden. At the back of the home, the showstopping kitchen and family room are wrapped in triple-paned floor-to-ceiling windows, filling the space with light and offering seamless indoor-outdoor flow. A large center island, 48" Miele dual-fuel range, wine fridge, espresso station, and Ultralux cabinetry define the chef's kitchen. A custom command center, powder room, walk-in pantry, and main-level guest suite/home office completes the floor.

Upstairs, three secondary bedrooms feature ensuite baths and generous closets. The primary suite is a sanctuary of its own, with a skylit sitting room, two-sided fireplace, wet bar, private balcony, and spa-style bath with soaking tub, steam shower, and ample closet space/dressing room.

The top floor offers a versatile loft, while the

lower level adds a second kitchen and wine bar, circular game room, recreation/media room, sixth bedroom, full bath, and a second laundry area. A heated, oversized three-car garage connects to both Foxhall Road and Hawthorne Street, with plenty of additional parking.

Step outside to a 39-foot heated pool with waterfall, full pool bath, cabana with ceiling fans, and multiple terraces surrounded by lush, fully fenced landscaping.

Close to Georgetown, the Palisades, Parks and Trails, and the shops and restaurants of New Mexico Avenue, 3001 Foxhall Road NW is a rare offering; a home without compromise.
