Residential on 0.00 Acres

WEST END, WASHINGTON, DC

Prominently occupying a large parcel in the heart of Washington's glittering West End is The Columbia, a 2006 reinterpretation of a historic 1918 building, creating 225 luxury condominiums of the highest caliber.

Approached by a sweeping, verdant crescent drive, the building's classic red brick facade is flanked by twin contemporary glass additions to create a dramatic, architecturally significant first impression. Within this rarified air is Residence 234, a one bedroom and den unit spanning a generous 812 square feet of immaculately maintained, sumptuously appointed living space. A vestibule provides a dignified entrance to the home. Immediately adjacent is the private den, a quiet space tucked away and ideally suited for a private office, reading nook, or yoga studio. At the heart of the floor plan is the chef's kitchen. Elegant Poggenpohl cabinetry, granite countertops, and an integrated breakfast bar open up to the main living space. A commercial-grade Viking range and full-size SubZero refrigerator represent top-of-the-line equipment and are an indicator of the no-expenses-spared ethos found throughout. Bright and airy, the main living area is flooded with natural light from a large double window. Likewise, the bedroom suite features floor-to-ceiling glass through which the private balcony can be accessed. A pass-through dressing area framed by ample walk-in closet space leads to the primary bath. Clad in marble, the luxurious retreat boasts a large

vanity and a combination tub and shower. A private, underground parking space conveys. An amenity-rich building, The Columbia features a rooftop swimming pool and sundeck, state-of-the-art fitness center, 24-hour front desk with security, billiards room, recreation room, business center, on-site management and maintenance, as well as available extra storage units for a true turnkey lifestyle. A Trader Joe's is accessible from within the building, and the location is convenient to West End's famous restaurants, shops, and public transit. Blending historic character with a contemporary lifestyle, Residence 234 at The Columbia represents the apex of upscale urban living.
