Prepare to be impressed by this stunning home in the highly sought-after Oregon Knolls section of Chevy Chase. Nestled alongside a tributary of Rock Creek Park, this expansive residence offers nearly 5,400 square feet of beautifully renovated living space, surrounded by nature and filled with serene views from every level. Enjoy the best of both worldsâ€”peaceful, wooded surroundings with easy access to Rock Creek Park trails, downtown DC, and the surrounding area. This home has been extensively remodeled with over \$550,000 in thoughtful updates, including: New roof and solar system (\$90,000), Cement Hardie-board siding (\$150,000), Renovated bathrooms (\$120,000), Custom â€œHollywood-levelâ€• closet systems (\$40,000), New windows throughout (\$120,000), HVAC and upgraded plumbing (\$27,900+), New exterior doors and more.

Inside, the home is ideal for everyday living and elegant entertaining. A dramatic foyer with a custom chandelier sets the tone. The living room is surrounded by windows on three sides, while the formal dining room is bathed in southern and western light. The updated eat-in kitchen offers exceptional storage, prep space, and access to the multi-level deckâ€”perfect for grilling or enjoying the peaceful natural surroundings.

A den/music room with built-ins, a fireplace, and eastern exposure adds warmth and versatility. A powder room and two circular flows through the main level make entertaining seamless.

The upstairs is anchored by an incredible primary suite. Thoughtfully reimagined, it includes a custom walk-in closet that’s truly jaw-dropping and a spa-like bath with a free standing soaking tub, oversized shower, dual vanities, and a water closet. Two more spacious bedrooms and a renovated hall bath complete the upper level.

The lower levels offer flexible space for work, guests, or recreation. Just below the main level are two large rooms—ideal for bedrooms, an office, gym, or reading room—one with a fireplace and access to the backyard. The walk-out lower level basement features over 1,000 square feet of bonus space, a commercial-grade refrigeration system (included), and ample storage.

Elevator-ready with an installed shaft and electrical upgrades, this home was built with both luxury and future-proofing in mind. The craftsmanship, scale, and location make it truly one-of-a-kind.
