Residential on 0.04 Acres

KALORAMA, WASHINGTON, DC

Overlooking Kalorama Park, this classic Wardman townhouse marries historic charm with modern updates across four finished levels and nearly 2,700 sq ft. The east-facing front rooms capture the morning sun, while the west-facing get afternoon light. The open layout of the main level, with nearly 10-foot ceilings, connects the renovated kitchen, dining area, and living room with a large picture window overlooking the backyard. The second floor hosts two bedrooms — one with a sun porch and the other with park views — plus a home office and full bath with washer/dryer. The third level offers a spacious primary suite with cedar closet and park views, a second bedroom, and an updated bath with walk-in shower. The walkout lower level serves as a self-contained studio suite with new kitchen and full bath. Outside, a recently redesigned 1.5-story porch/deck and ground-level entertaining area with cedar fencing and porcelain pavers create a private, park-side retreat. Ideally located between Dupont Circle and Woodley Park Metros, and within the Oyster Adams school district.
