LOGAN CIRCLE, WASHINGTON, DC

Welcome the charm and energy of this perfect Logan Circle location mixed with the quiet and restorative nature of this large 2 Bedroom Condo located just around the corner from Whole Foods. Freshly painted and featuring hardwood floors throughout, the tall ceilings and natural light extend throughout the condo. The original stained woodwork and historic details have been thoughtfully maintained. The large foyer opens to a dining area which is separate yet open to the living room, allowing for space and separation simultaneously. The updated kitchen displays granite counters with additional prep space and cabinetry, tile backsplash, plenty of storage and countertop space. Enjoy the convenience of the pegboard wall for hanging cookware/pots and pans. A new refrigerator, gas stove and an in-unit washer/dryer (2025) complete the kitchen. Display your books, collectibles and adornments on the glass shelving units! The pet-friendly building also features a common courtyard with grills, extra option for laundry room in the building's basement (however, remember your washer/dryer is in your unit), and a membership to the Holiday Inn's rooftop swimming pool (included in your condo fee)! Again, located just around the corner from Whole Foods, and in the middle of everything downtown DC. Inquire at the Holiday Inn about a monthly parking pass!
