MOUNT PLEASANT, WASHINGTON, DC

Welcome to 2630 Adams Mill Rd NW, #103 – an updated condo in the Adams Mill House community of Adams Morgan. This freshly painted, move-in-ready condo checks every box. Hang out or unwind in the spacious living room, or enjoy a meal in your dedicated dining space, directly between the kitchen and the living room. Filled with natural light from a window and sliding door to a Juliet balcony, your home overlooks the serene community courtyard and Walter Pierce Park. The kitchen has generous cabinet space, plenty of counters, and a brand-new stove and dishwasher (August 2025). The size of the bedroom is truly unique for city living. Not only is there space for a king-size bed, but a workout space, desk, or lounge area, will fit as well! The walk-in closet will not only accommodate your year-round wardrobe, but also a shoe collection, and storage needs. The bathroom’s been upgraded with a sleek new vanity, and the in-unit washer and dryer (both new as of April 2024) mean no more hauling laundry baskets down the hall. A big highlight of the home is its location in the building. Perched on the elevated first floor, you get the convenience of being a hallway away from where you can bring in your groceries or take your dog for a walk, while having a true view to enjoy. Lush greenery in the spring and ombre yellow and orange in the fall, you'll get the tranquility of the suburbs while being blocks away from all the activities of the city. Just half a mile to the Woodley Park

Metro, as well as Open City Diner, Rose Ave Bakery, all your go-to spots for coffee, cocktails, and more are close by. This will be a fantastic place to call home!
