Residential on 0.00 Acres

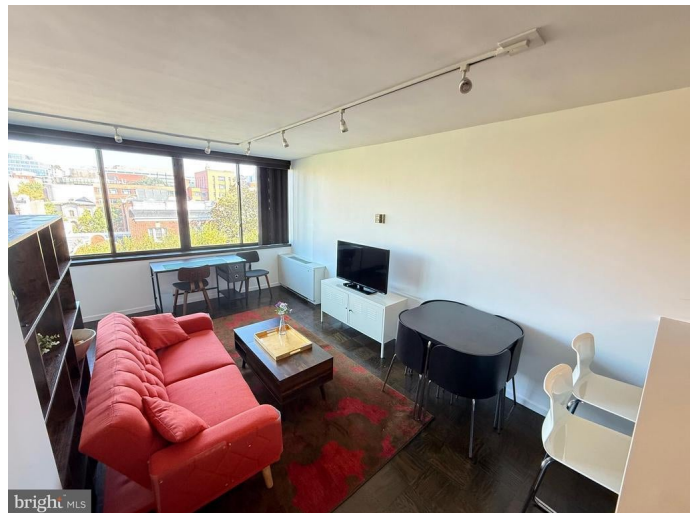

FOGGY BOTTOM, WASHINGTON, DC

BRIGHT, COMFORTABLE and CONVENIENT are the three words for this large studio. With several large windows and a wide tree top view, wood floors throughout, ample closet space, an updated full kitchen, an updated bathroom and being fully furnished, you will relax at the end of your long days and won't want to leave your home. But let's say you want to leave your home, then you are 6 blocks to GW metro(orange, silver and blue lines), which makes your trips from Dulles or National airports, and the other part of the Washington DC metropolitan area very convenient. You are on the edge of GW campus, 1.5 blocks to the State Department, 2.5 blocks to the World Bank group, and 3.5 blocks to the White House. Whole foods and Trader Joe's are a stone's throw away and so are many restaurants, and the National Mall and its monuments. Water, electricity and gas are included in the condo fee so you don't have to worry about those either. That's why this unit won't stay on the market for too long and you need to move fast.
