Residential on 0.04 Acres

LOGAN/SHAW, WASHINGTON, DC

This rare and expansive four-story rowhome is among the largest historic residences on sought-after Westminster Street NW. Blending timeless character with modern luxury, it offers generous indoor and outdoor living spaces, sophisticated finishes, and an enviable location. Step through a gracious double-door vestibule into an open living and dining area, where exposed brick walls and two glass-tile fireplaces create a warm, contemporary feel. Refinished white oak floors extend throughout the home, while a fully integrated three-floor audio system and dual-zone Nest-controlled HVAC add comfort and convenience. The showpiece of this level is the 25' x 12' chef's kitchen, designed for entertaining. It features a professional six-burner range with griddle and double oven beneath a commercial hood, plus an oversized 34" refrigerator and matching freezer. A substantial island with seating for five complements the space, leaving room for a breakfast table. At the rear, a secure 18.8' x 18.7' parking pad provides easy access. The second floor includes a south-facing bedroom suite, as large as the primary suite, offering a cozy reading nook, en-suite bath, and walk-in closet with ELFA shelving (a feature shared across all bedroom closets). A second bedroom opens to a private balcony, while a third is ideal for a home office or nursery. A hall bath with soaking tub completes the floor. The third floor primary suite is a private retreat, featuring two double-door closets, a Juliet

balcony and a spa-inspired bath with dual vanities, soaking tub, and a multi-head frameless glass shower. This level also includes a powder room and wet bar with wine fridge, prep sink, and ice maker—perfect for entertaining on the expansive 14' x 24' terrace. From here, a spiral staircase leads to an 18' x 24' rooftop sundeck with sweeping 360 views of DC, including the Washington Monument. In all, the home offers over 800 sq. ft. of above-grade outdoor living space. The fully finished lower-level functions as a separate two-bedroom, one-bath apartment, ideal for guests, an au pair, or rental income (most recently leased for \$2,995/month). Nestled just steps from Westminster Park, the home is within easy reach of Shaw and Logan Circle’s acclaimed dining, shopping, and conveniences—including Whole Foods and Trader Joe’s.
