Private Outdoor Oasis - Price too good to be true!

Step inside and feel it â€” this home has presence. Every surface, every finish, every fixture has been intentionally upgraded to create a space that feels calm, modern, and beautifully alive.

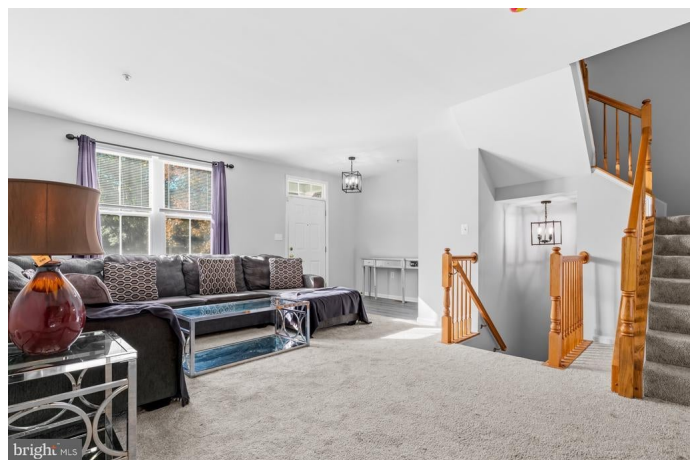

The open main level makes its statement with luxury vinyl plank flooring, fresh paint, and a reimagined kitchen that shines with quartz-style counters, sleek stainless steel appliances, and bold new lighting. Natural light floods through oversized windows, connecting the dining area to a walk-out deck and fenced patio made for morning coffee or weekend gatherings.

Upstairs, three spacious bedrooms deliver balance and comfort, while the fully finished lower level adds versatility â€” a quiet retreat, guest suite, or home office with a full bath and dedicated laundry/storage zone.

Outside, the manicured exterior, and low-maintenance outdoor space make life easy. Inside, itâ€™s all style and substance â€” upgraded systems, clean design, and true move-in confidence.

Tucked in the Henson Ridge community â€” a hidden pocket of peace with fast access to Metro, Capitol Hill, and downtown DC â€” this home proves you donâ€™t have to compromise to get it all.
