BURLEITH, WASHINGTON, DC

This home is an incredible opportunity, featuring one of the top five largest lot sizes of any property sold in the Burleith neighborhood in the past year. It includes garage parking and five full bedrooms, all without the \$2+ million price tag.

Step inside from the covered front porch and enjoy generous living and dining spaces that flow into an open kitchen with stainless steel appliances and an island with seating. The main level opens to a screened-in porch and a freshly landscaped, generous rear yard.

Upstairs, youâ€™ll find large bedrooms and flexible bonus spaces, including a converted sleeping porch and an adjoining room perfect for a home office, playroom, or sixth bedroom. There is a full updated bath on each of the home's 3 levels with bedrooms.

The home is tucked away in the highly sought after Burleith neighborhood where you'll find tree lined streets that offer a sense of privacy and comfort but still just blocks away from the convenience of city living. Whole Foods, Trader Joeâ€™s, and Safeway are all within a mile. Rocklands, Xiquet, and a variety of neighborhood restaurants are also just a few short blocks away. Outdoor enthusiasts will love being just one block from the Whitehaven and Glover Archbold trails. The neighborhood also offers easy access to Georgetown, Cathedral Heights, and major routes into
