CHEVY CHASE, WASHINGTON, DC

Welcome to 3230 Military Road NW, a truly exceptional residence that blends timeless elegance, expansive living, and unmatched convenience. With over 2,300 sunlit above-grade square feet, beautiful original details, modern upgrades, and a rare oversized attached two-car garage, this home is a standout in one of DC's most desirable neighborhoods. From the moment you enter the gracious, wallpapered foyer, you'll know you've arrived somewhere special. The spacious living room with wood-burning fireplace flows into the open kitchen and dining area, perfect for both daily living and elevated entertaining. The kitchen features custom white cabinetry, luxury appliances, ample storage, and space for both casual and formal dining.

The main-level bedroom suite offers flexibility as a guest room or office, with a Murphy bed and sleek ensuite bath. Upstairs, the primary suite includes a sitting area and a 2023 spa bathroom with heated floors, designer tile, and a frameless walk-in shower. Two more bedrooms include one with vaulted ceilings and original woodwork, and another extra-large bedroom. A second renovated bath with floor-to-ceiling tile and frameless shower completes the level. The fully finished basement includes a large recreation room, a spacious storage room (ideal for wine or seasonal items), a full bath, laundry, and interior access to the garage—an uncommon and practical luxury. And that's just the interior!

Off the kitchen, step onto a private trellis-covered deck, leading to a fully fenced backyard with white picket fencing and lush landscaping—perfect for entertaining, play, and relaxation. Location? Unbeatable. Just a 0.5-mile walk to Connecticut Avenue’s shops and restaurants, 1 mile to Friendship Heights Metro, and equally close to the natural escape of Rock Creek Park. Here, you truly have the best of both worlds. With its generous scale, refined updates, and dream location, 3230 Military Rd NW is the rare home that checks every box. This isn’t just the best home on the market—it’s the one everyone’s been waiting for.
