KENT, WASHINGTON, DC

ONE OF THE BEST "LUXURY" HOME IN THE PALISADES AND PRICED TO SELL....! Welcome to 4920 Loughboro Road NW, a custom showpiece located across a broad corner lot, complemented by handsome Jeld-Wen metal-clad casement windows, is but a taste of the quality and craftsmanship youâ€™ll discover inside. Across the flagstone walk, welcoming porch and into the soaring foyer, you may well catch your breath as you savor the Brazilian white oak floors, stunning designer light fixtures, and sophisticated finishes. But be sure to pace yourself â€“ youâ€™ve got nearly 10,000 square feet to explore across four floors, including 7 bedrooms and 8.5 baths. A thoughtful and practical addition, the private elevator will ease your journey. Along the primary floor, a formal living room and separate family room both enjoy front-facing views across this charming Kent/Palisades/Spring Valley neighborhood, arguably the toniest part of town. To the rear, one of two primary ensuite bedrooms features an ample walk-in closet and peaceful private balcony. The paired double kitchens, however, offer the height of design, function, and quality. The main kitchen, wrapped in delicious Eurostyle Leicht soft-close cabinetry, to include Topos Bergamo elm veneer accents, features every inspiring ingredient to execute culinary magic. Superb Miele appliances â€“ from oven/range to dishwasher to refrigerator to built-in coffee machine, and so much more â€“ ensure chef-quality magnificence.

Combined with the secondary all-season room/outdoor kitchen, this arrangement allows for entertaining on grand scale. The sizable, low-maintenance Trex deck just beyond guarantees your guests will have plenty of room to spread out. Above, all four second-floor bedrooms feature walk-in closets and ensuite baths. Here, however, the second primary bedroom is a vast oasis, with dedicated sitting area and dressing room. Its spa bath in porcelain and marble is an inspiring invitation to liquidate the day's stresses with a soothing soak or steamy escape in the breathtaking double-headed walk-in shower featuring LED lighting, Bluetooth music options, and multiple spray patterns. Higher still, the flexible attic level houses another ensuite bedroom, storage space, more than enough room to add yet another bedroom, and hundreds more unclaimed square feet of living space. The lowest level, however, is hiding quite a few of 4920 Loughboro's fabulous features. The indulgent Alpine 3-person sauna is a high-tech haven, offering both infrared heaters and chromotherapy. A WhisperKOOL ductless split climate-control system keeps up to 806 bottles at perfect temperature in the sophisticated wine cellar. Along with a pre-wired home theatre and a room for a home gym, the lower floor includes another ensuite bedroom. Exit directly to the yard via the mud room, to include full secondary laundry facilities, or through the attached two-car garage with EV charger. You'll appreciate a commanding sense of security and control with multiple-camera surveillance, alarm system, and next-generation URC smart controls. Truly, this property resides in a class of its own conveniently located near top schools, dining, Regan National, and downtown DC.
