

\$1,895,000 - 3524 Williamsburg Ln Nw, WASHINGTON

MLS® #DCDC2226442

\$1,895,000

4 Bedroom, 2.50 Bathroom, 2,558 sqft

Residential on 0.35 Acres

FOREST HILLS, WASHINGTON, DC

Welcome to this stunning contemporary home that epitomizes modern elegance and comfort, nestled on highly sought-after Williamsburg Lane, with Rock Creek Park and Klinge Mansion within footsteps. This exceptional residence is perched atop a dramatic hill, encompassing over a third of an acre, perfectly positioned between the prestigious Cleveland Park and Forest Hills neighborhoods.

Originally built mid-century in 1951, this home was dramatically expanded in 1973 by the illustrious modern master Hugh Newell Jacobsen, with additional updates in 1999 by Jacobsen and Robert Gurney. Notably, Jacobsen also designed homes for prominent figures such as Jacqueline Kennedy Onassis, Paul and Bunny Mellon, James Garner, and Meryl Streep. The architectural brilliance is evident in the modernist floor plan, featuring soaring ceilings and oversized windows that invite an abundance of sunlight and views from every direction.

The home offers four spacious bedrooms and two and a half baths, including a serene first-floor primary suite with green terrace views and complemented by warm hardwood floors that run throughout the main level. Upstairs, Jacobsen's signature floor-to-ceiling bookcases mark one of the rooms. Multiple private terraces with exquisite stonework, elegantly framed by dramatic sliding glass doors, offer a perfect setting for

relaxation and entertainment, seamlessly blending indoor and outdoor living.

The bright, sunny kitchen is equipped with granite countertops and premium SubZero stainless steel appliances, catering to culinary enthusiasts and entertainers alike. This residence is not just a home but an art gallery in its own right, with spaces perfectly suited for displaying your personal collection. The property is further distinguished by lush landscaping, featuring a variety of mature shade and ornamental trees, thoughtful plantings, and landscape lighting, all maintained by an in-ground irrigation system. This distinctive property offers a harmonious blend of luxury and tranquility on a quiet cul-de-sac, making it an ideal haven for discerning homeowners seeking a unique and refined living experience in one of Washington’s most sought-after neighborhoods.

Built in 1951
