Residential on 0.06 Acres

CLEVELAND PARK, WASHINGTON, DC

Come home to the sophisticated charm of this bright, semi-detached classic rowhome on a quiet block of Ordway Street NW. Set in the heart of historic Cleveland Park, you're just a block or two from the shopping and restaurants at Cathedral Commons and everything new at City Ridge (Wegmans, Lidl, Tatte, One Life Fitness, Equinox), and a 15 minute stroll to the Cleveland Park metro and farmers' market.

Stepping inside, you'll discover a home lovingly remodeled over the years, with an open kitchen featuring an island and granite countertops, beautifully refinished oak hardwood flooring, attractive original wall molding, a gas fireplace and newer double-paned windows throughout. The main floor has comfortable dimensions, with both formal and informal living spaces. So bright and welcoming, this home is a delight for entertainers - don't miss the recently added large back deck and the grassy green fenced yard - a true respite from the city's hustle and bustle.

Upstairs, find a home office + 3 light-filled bedrooms and 2 full bathrooms on the 2nd floor, including an en-suite bathroom to the large primary bedroom. Additionally, find a 4th bedroom/den on the third floor - great bonus space to hang out, work or accommodate guests.

Downstairs is flexible - with a mini-kitchen, large living space, additional bedroom, full bathroom and front and back private entrances, this connected lower level could be your overflow space for you or visitors, or rent it out for extra income. What more could you want? Come, enjoy and rest easy - you're home!
