The 555 Massachusetts Condo is a well run, full amenity condo building with 24 hour concierge, rooftop pool and grills, a community room and a fitness center. The building is pet friendly and smoke free except for a designated area on the rooftop. The concierge staff is award winning, friendly and security conscious.

The Mount Vernon Triangle neighborhood is one of the most walkable areas in Washington, DC. A major grocery store is one block away and a weekly farmer's market takes place across the street every Saturday morning. With just a short walk, you can get to the National Mall or Union Station.

And although this is already a great neighborhood, the city is investing over \$400 million into the area over the next five years with ground already being broken on a \$90 million project to improve the Capital One Arena as well as plans that include proposals for new outdoor plazas and squares, gallery
