LILY PONDS, WASHINGTON, DC

This modestly updated, single-family detached home in the conveniently located and much desired community of Lily Ponds is priced right and ready to go! Owners have replaced the windows, added new AC and hot water heater, updated the kitchen and added LVP flooring throughout for an enviable ease of care and stylishness. With ample sized living room, dining room and finished basement, this home lends itself nicely to first time homebuyer's or as a wonderful condo alternative. Upstairs are two nice sized bedrooms and a bonus room that would work nicely for a nursery or additional in-home office. The basement is finished with laundry room, additional full bath and rec room area that leads outside to the fenced rear yard with mature trees which provide terrific outdoor space for gardening and summertime fun. Don't miss out on this one, as I don't think it's going to last long!
