Stop the search—this is the one!! Are you tired of seeing cookie-cutter homes with cramped rooms and small yards? Look no further. This exceptional home offers FIVE spacious bedrooms with walk-in closets, three and a half bathrooms, and sits on a stunning 8.04-acre corner lot with fruit trees in the front yard: apple, pear, peach, persimmon, and fig! The current owners have taken this already incredible property to the next level with significant upgrades, including a brand new 30x36 pole barn with permits, tons of storage, sitting on a concrete slab, a massive 20x30 expanded Trex deck, and a whole-home water conditioning system. They've also added two additional bedrooms upstairs, each with walk-in closets, bringing both flexibility and functionality to the floor plan. A large fenced area has been installed—perfect for pets, recreation, a farm, a place to raise horses, or gardening—and there's even a chicken and goat coop that will stay with the property and ready for your homestead living. From the moment you arrive, you™ll be captivated by the inviting wraparound front porch, the circular driveway, and side-turned two-car garage. Inside, you'll find that every room is generously sized (no exaggeration) and thoughtfully designed for functionality. The welcoming foyer opens to a formal dining room with hardwood floors and expansive windows that flood the space with natural light. The family room features soaring cathedral ceilings and a stunning floor-to-ceiling, double-sided

stone fireplace. On the opposite side of the fireplace is a beautiful sunroom, with three sets of French doors, cathedral ceilings, tile flooring, and an abundance of windows to bring in light and fresh air. The kitchen is spacious and well-equipped, offering 42" cabinetry, stainless steel appliances, tile flooring, a large eat-in breakfast area, an oversized walk-in pantry, and brand NEW quartz countertops and farmhouse sink. The primary suite, located just off the kitchen, is a true retreat. It includes two large walk-in closets and a luxurious en-suite bathroom with dual vanities, a tile-surround garden tub, walk-in shower, and tile flooring. Two more oversized bedrooms and a full hall bath are located on the opposite side of the main level. There's also a laundry room with pocket doors, laundry sink, built-in cabinetry, and a half bath—also with pocket doors for added convenience. Upstairs, you'll find two massive bedrooms and walk-in closets, a large loft between the two bedrooms, and a full bathroom, giving you even more flexibility to tailor the space to your needs. The basement is enormous and unfinished, offering endless possibilities with plenty of natural light and a walk-up Bilco door exit. It's ready for your personal touch, whether you envision a workshop, gym, playroom, or entertainment area. Additional features include holiday window lighting on a timer switch, a central vacuum system for easy cleaning, and a meticulously maintained, spotless interior that reflects true pride of ownership. This one-of-a-kind home offers the perfect combination of space, privacy, charm, and modern upgrades.
