Residential on 8.87 Acres

CEA-DAG COURT, DAGSBORO, DE

This house almost qualifies as new. It was built in 2023 and has been very lightly used by the seller. For the price, this house is a great value. Consider that it has luxury vinyl plank flooring , stainless steel appliances including a refrigerator with ice/water in the door, built-in microwave and flat top range, under-mount sink and quartz counter tops. The black hardware accents give the house a very contemporary feel. Ceiling fans in all the bedrooms and the living room go a long way in keeping the house comfortable regardless of the season. The large 21' x 11' private patio is always a relaxing space. Access to the Bethany Beach Boardwalk is only a 11.7 mile drive. This house is truly bright, fresh and move-in ready.
