THE PEACH ORCHARD, SEVERN, MD

Nestled on a peaceful cul-de-sac, this charming Colonial home offers a perfect blend of classic elegance and modern updates. A welcoming covered front porch and attractive curb appeal with mature landscaping set the tone, inviting you inside to an exceptional floor plan designed for both everyday living and entertaining. Step into the formal living and dining rooms, each featuring crown molding and chair railing. Sunlight pours in through a bay window in the living room and a wall of windows in the dining room, filling the space with natural light.

The heart of the home is a beautifully renovated kitchen (2012) with 42" cabinetry, granite counters, and stainless steel appliances. Its thoughtful design allows for easy conversation with the family room, where a brick fireplace and recessed lighting create a warm, inviting space. An atrium door in the family room leads to the sunroom, seamlessly connecting indoor living spaces. Adjacent to the kitchen, a breakfast room looks out over the fenced backyard, making every morning feel bright and serene.

The showstopper sunroom anchors the back of the home with a cathedral ceiling accented by beams, a skylight, and a half-moon window. The sunroom has direct access to the deck, perfect for relaxing or entertaining while enjoying views of the backyard. The fenced backyard features a tiered deck, offering layered spaces for relaxing, dining, and entertaining outdoors. Off the garage, a

main-level home office features its own walkout, ideal for remote work or quiet study. Upstairs, the primary suite offers two closets, a linen closet, a dressing area with vanity, and a private en suite bath. Two additional generously sized bedrooms share a full bath, providing comfort and space for family and guests. The finished lower level (2014) includes a recreation room, bonus room, fourth bedroom, laundry area, and a full bath. With its private entrance, this level could easily serve as an in-law suite or guest retreat. Additional updates ensure peace of mind: a roof (2014), water heater (2016), HVAC system (2019), and a main water line replacement in 2014. Fresh paint and professionally cleaned carpets (2025) complete the home's move-in ready appeal. Set on an amazing lot with a fenced backyard, cul-de-sac privacy, a two-car garage, and an expanded driveway that can accommodate an RV or boat, this home combines functionality, style, and a prime location, ready to welcome its next chapter. Residents can also enjoy outdoor activities at nearby parks like Severn-Danza Park and the Severn Recreation Center, offering sports facilities and green space. Commuting is seamless with quick access to MD-295 (Baltimore-Washington Parkway), MD-100, I-95, BWI Airport, and Fort Meade.
