

\$129,000 - 1101 Saint Paul St #711, BALTIMORE

MLS® #MDBA2171906

\$129,000

1 Bedroom, 1.00 Bathroom, 734 sqft

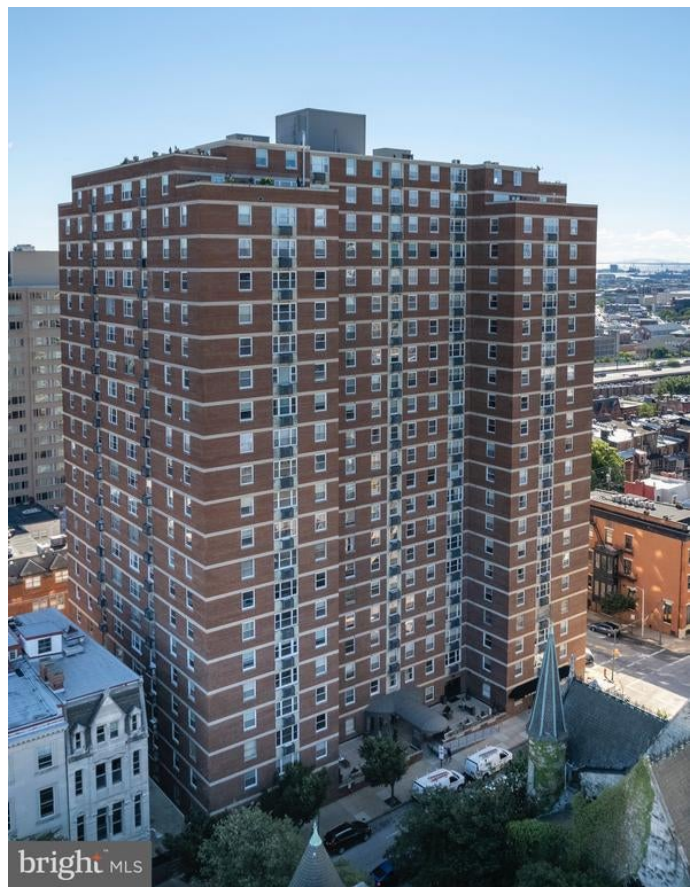

Residential on 0.00 Acres

MOUNT VERNON PLACE HISTORIC DISTRICT, BALTIMORE, MD

Experience elevated urban living in this beautifully renovated 1-bedroom, 1-bath condo in the heart of Mount Vernon. Perched on the 7th floor of a secure, doorman building, this stylish unit blends historic charm with modern upgrades. The unit has since undergone a complete transformation. The kitchen has been fully transformed and reimagined with sleek under cabinet lighting, an electric cooktop, built-in oven and microwave, dishwasher, and garbage disposal, creating a space that's both functional and elegant.

Refinished hardwood floors run throughout the unit, enhancing the warm and inviting atmosphere. The bathroom has been completely remodeled with granite tile floors, a new sink and countertop, a backlit mirror, and a classic tub/shower combo. A custom brick accent wall adds a touch of industrial style to the space. The bedroom and living room are both outfitted with solar shades, offering privacy while still allowing soft, natural light to pour in.

Comfort is key with a brand new HVAC system installed in 2020—a Carrier 1.5-ton 14 SEER heat pump with a smart Nest thermostat—recently serviced in January 2025. The water heater shutoff valves were also replaced in April 2025, giving peace of mind to the next owner. A dedicated storage unit (#6) is conveniently located on the same

floor, and parking is available for a monthly fee in the garage directly beneath the building.

The building itself offers 24-hour doorman service, an on-site convenience store, and a comprehensive HOA that currently includes water, trash, building insurance, and common area maintenance. Situated in one of Baltimore’s most walkable and culturally rich neighborhoods, this condo places you just steps from restaurants, cafes, museums, and transit—making it an ideal home for city lovers, first-time buyers, or savvy investors alike

Built in 1963
