BROOKLYN, BALTIMORE, MD

Welcome to 3822 6th Street, a Baltimore classic ready for its next chapter. There's something special about a home that's stood for nearly a century. Built in 1926, this Brooklyn row home carries the kind of character you can't replicate, and now, it's been reimagined for the way we live today. Step inside, and you'll feel that quiet balance between history and renewal. Original hardwood floors stretch across each room, grounding the space in timeless charm. The updated kitchen feels fresh and inviting, with marble countertops, stainless steel appliances, and plenty of room to cook, unwind, or just enjoy a slow morning. Both bathrooms have been tastefully modernized, offering a calm retreat at the end of the day. With three bedrooms and two full baths across three stories, there's room here to make it your own, whether that means creating, hosting, or simply slowing down. The partially finished basement adds even more flexibility, ready to become whatever suits your next season of life: a workspace, a gym, or a cozy hideaway.

Off-street parking and in-unit laundry add everyday ease, while the home's location on 6th Street keeps you close to local favorites, green spaces, and the energy that makes Baltimore feel alive.

Freshly updated and full of heart, 3822 6th Street isn't just move-in ready, it's ready for what's next.
