Residential on 0.04 Acres

DUNDALK VILLAGE, DUNDALK, MD

Welcome to 6922 Broening Rd – a freshly remodeled gem in the heart of Dundalk Village that brings style, charm, and comfort together in all the right ways.

From the moment you arrive, the elevated front porch sets the tone – not just for curb appeal, but for neighborhood views, quiet mornings, and a front-row seat to the rhythm of the block. Step inside and you™re welcomed by a cozy living room that flows seamlessly into the dining area and kitchen, divided by a custom knee wall with bar seating – perfect for morning coffee or quick bites on the go.

The kitchen features stainless steel appliances, ceramic tile flooring, and just enough character to make it stand out without trying too hard. Hardwood floors run throughout the main level, adding warmth and a polished touch to the living spaces.

Upstairs, you™ll find two comfortable bedrooms and a shared full bathroom. But the real bonus is downstairs – a fully finished basement offering a flexible space that could easily be used as a third bedroom, rec room, home office, or second living area. It™s ready for whatever life throws your way.

Out back, the newly created parking pad offers private parking with space for multiple vehicles – a rare convenience in this peaceful

neighborhood setting. The rear yard has enough room to relax, host, or just enjoy a little quiet time outdoors.

Whether you’re starting fresh, sizing down, or simply looking for a place that feels like home from day one, this one’s worth a visit.
