GREENLEIGH AT CROSSROADS, MIDDLE RIVER, MD

Welcome to 6352 Islington St., this home is only 3 years young and has never been lived in. Looking for a brand new home that is ready for immediate move in? Look no further! This commanding "White House on the Hill", as the owner so loving refers to it, will take your breath away as soon as you pull up, offering 5 bedrooms and 4 full baths. Being at the highest elevation in the neighborhood, across from a community park and having no homes directly behind, there is no doubt this is one of the most sought after locations in the community.

Pause for a moment and truly take in the view from the expansive front covered porch. Most homes in this community don't have the pleasure of both fronting a community park and having green space behind. Step inside and be welcomed by the spacious foyer, flanked on either side with your formal dining room and bonus room with endless possible uses. Your foyer opens up to a stunning two story great room with floor to ceiling windows that flood the space with glorious natural light. You'll stay warm and cozy in the winter snuggled up in front of the gas fireplace as you watch the birds through those massive windows. Your great room is open to a chefs dream kitchen with endless counter space, a butlers pantry and the large morning room that once again gives you many options for it's use. Past the kitchen is a mudroom with access to a first floor laundry room or additional walk-in

pantry and finally the two car attached garage with painted drywall, epoxy floors and a wheelchair ramp should you wish for it to stay.

Last but not least on your main level is the ADA compliant full bath and 5th bedroom/bonus room.

Let's head upstairs shall we? Your upper level holds 4 spacious bedrooms, 3 full baths, a second laundry room and the second HVAC system, all seamlessly connected by the open landing offering delightful views out the numerous windows in the two story great room.

Heading now to your enormous full basement with very generous ceiling height and extra wide exterior doors flooding the space with natural light. The seller has left it as a blank canvas for you to finish and customize to your hearts desire. Man/Woman cave, play area for the kids, home gym, movie theatre, in-law suite with a kitchen and an additional full bath...you have room for it all!

Greenleigh at Crossroads is Baltimore County's most desirable community offering resort style living every day. This location is just two blocks from the well appointed community center with workout facilities, massive in-ground pool, play areas and much more! Greenleigh also offers scenic walking and biking trails, a dog park, event lawn and most importantly residential lawn care! You'll never have to cut your grass again. Your new home is waiting for you...schedule your tour now before it's gone!
