The Camden â€” The perfect place to plant your roots.

Imagine a home that feels like it was designed just for youâ€”where style, comfort, and functionality come together effortlessly. Welcome to The Camden, a townhome that goes beyond four walls to create a space where memories are made and every day feels a little brighter.

Perfectly positioned on a spacious corner lot, this home offers extra privacy and a backyard that backs up to the soon-to-be community park, giving you peaceful views and easy access to green space just steps from your door.

From the moment you step inside, youâ€™ll be greeted by a light-filled main floor that flows naturally from the living area to the dining space and into a chef-inspired kitchen thatâ€™s as beautiful as it is functional. Granite countertops, stainless steel appliances, and sleek cabinetry bring a touch of modern elegance, while luxury vinyl plank flooring ties it all together with warmth and durability.

The attached garage and powder room on the main level make life easier, keeping daily routines simple and stress-free.

Upstairs, the primary suite feels like your own

private getaway, complete with a walk-in closet and an en-suite bath featuring double sinks and a walk-in shower designed for relaxation. Two additional bedrooms provide space for family, guests, or even that home office youâ€™ve been dreaming about.

Every detail in The Camden shines with quality, thanks to the LGI Homes CompleteHomeâ„¢ package, which includes energy-saving features, designer finishes, and thoughtful upgradesâ€”all at no extra cost.

More than just a house, The Camden is where modern living meets personal sanctuaryâ€”on a corner lot with park views youâ€™ll love coming home to.
