You've seen the phrase & wondered, "but, really"? And yes, THIS is a show stopper! From the space to the colors to the QUALITY materials, this 3BR/4BA ALL BRICK beauty WILL amaze you! What to notice first? Maybe the upgraded one year old hardwoods or the soft, modern colors. The kitchen? WOW! Huge & no expense spared. You'll find beautiful 42" cabinetry, a chic marble backsplash, gorgeous granite counters w/waterfall edging, SS smart appliances & multiple areas to dine. The family room is quite welcoming with a striking stone wall surrounding a wood-burning FP. Continue on into a large adjacent den/bonus room which will lead you out onto a fabulous rear deck. More on that later. This level also features the much desired first floor laundry as well as one of 4 luxurious, upgraded baths. Upstairs, you'll find the primary suite along with 2 additional bedrooms, all featuring Asian walnut floors. The primary suite is generously sized with a step-down sitting area & a stunningly renovated primary bath featuring even more beautiful cabinetry, dual sinks, a glass enclosed walk-in shower, free-standing soaking tub & a 23' long walk-in closet! The hall bath on this level is equally updated & amazing. Travel down to the lowest level & you'll find a large rec room area with ceramic tile flooring & a built-in bar. From here, you can also access the oversized 2 car garage. Finally, there is much to enjoy outside incl a very large trex deck, custom inset hot tub area, patio already equipped with electric for a future

outdoor kitchen, vinyl privacy fencing & a retractable awning. The grounds are also outfitted with a front & rear irrigation system. I could very much go on & on! Come see for yourself that it feels good to be HOME!
