This is no cookie-cutter home! Welcome to 8205 F Street — a rare Acorn Deck House in Chesapeake Beach, designed to celebrate light, warmth, and natural materials. Known for their signature post-and-beam construction, soaring ceilings, and walls of glass, Acorn Deck Houses are architectural icons that blur the line between indoors and out — and this one delivers that feeling in full.

Expansive, beautiful windows connect every room to the outdoors and flood the home with natural brightness. Inside, you'll find 3 bedrooms and 3 full baths anchored by two wood-burning fireplaces that bring character and cozy ambiance. Notable improvements include a new 50-year roof (2021), the replacement of both heat pumps (2025), and the resurfacing of both upper and lower decks (2025).

The open design creates flow, warmth, and connection — hallmarks of Acorn's mid-century modern legacy. Step outside, and multiple decks extend that architectural vision to the trees and sky, while two driveways provide ample parking — perfect for hosting and entertaining.

If you're seeking distinctive style and Chesapeake Beach charm, 8205 F Street is a true Deck House gem — equal parts art and architecture.
