MOUNT AVENTINE SUB, INDIAN HEAD, MD

What a great custom-built colonial with hardwood floors throughout waiting for you to make it great again. The large, long windows on the front of the home bring great light into the living and dining rooms. The living room has colonial moldings and a fireplace with mantel. Walk down a few steps into the spacious den which provides access to a screened-in porch, rear deck and brick patio. Gas logs included in both fireplaces but the leased propane tanks have been removed and returned to the service provider. Lots of storage space in the garage, sheds and full basement. The unfinished basement can be customized to meet your needs and has a walk-out feature to the rear yard. The second floor has hardwood throughout and two bedrooms share a full hall bath. There are two large closets in the hall for additional storage. There is also a safe hidden in a dormer but the combo is not known. The primary bedroom is quite large and has a private bathroom and lots of closet space and plenty of room for multiple pieces of furniture. The home is situated on a wonderful wooded lot with great open spaces to enjoy in the front, side and rear yards. The driveway runs the width of the lot providing ingress/egress from Indian Head Highway and W Mt. Aventine Road. There are two sheds on the property for extra storage. Take a short walk to Chapmans State Park too and enjoy visiting Mt. Aventine, a historical home; walk the multiple trails in the part; attend great programs/entertainment and

enjoy the views and shoreline of the Potomac. The location is convenient to numerous military bases, Old Town Alexandria, VA, DC, National Harbor, Tanger Outlets and area airports.
