

\$799,900 - 3346 Kump Station Rd, TANEYTOWN

MLS® #MDCR2029550

\$799,900

3 Bedroom, 2.50 Bathroom, 2,700 sqft

Residential on 3.00 Acres

NONE AVAILABLE, TANEYTOWN, MD

Welcome home to 3346 Kump Station Rd. - a private, unique and serene retreat nestled in the trees of Carroll County and tucked away from the bustle of life with everything you need to run your contracting business right from your own property!

As you drive back the private lane to your new home, you'll feel the troubles of the day melting away. The home boasts more than 2500 sq ft of living space, with dedicated office space, formal dining room, beautiful kitchen with stunning granite countertops, center island, and stainless steel appliances. Next to the kitchen you'll find a custom-built hearth housing a wood burning fireplace for cozy nights in. Go up a few steps to the upper level to your graciously spaced bedrooms, including the 15x13 primary with en suite bathroom. Two other amply sized bedrooms round out this level.

Downstairs from the formal living room is the huge family room with a half bath for convenience and a walk out to the backyard. More space awaits off the family room, which is currently being used as a rec room but could just as easily be converted to a 4th bedroom if needed.

Out back you will find a huge deck for entertaining family and friends in this quiet park like setting, hidden away by the mature trees and the sounds of nature.

But you know there is more! For our horse lovers, there is a 3 stall barn with water and electric and a separate run in. With plenty of fenced in space, your horses will be as happy here as you are. There is a multi-acre pasture that backs up to the property (not part of this property) which *may* be available for possible lease or purchase from the nearby owners for grazing and riding.

At the back of the property - and listen up business owners - is a block and masonry built heated 30x40 two story garage/work building (not pole building) with a full second story. The possible uses for this space are endless, but one could easily see a contractor setting up and running their business out of there and have all the space they need.

Showings will start 8/22 and pro pics will be up same day! Set up your private showing and don't miss out!

Built in 1986
