Welcome to 2851 Union Square Rd—where comfort and charm come together! From the moment you walk in, the warmth of the wood floors and soft neutral colors create a welcoming atmosphere. The kitchen is the true heart of the home, with granite countertops, upgraded cabinetry, and a spacious island—perfect for everyday meals or entertaining a crowd. The dining room flows seamlessly from the kitchen, offering plenty of space for gathering around the table. You'll find that the living room is bright and inviting, filled with natural light and anchored by a cozy fireplace—an ideal spot to unwind with a book or enjoy a quiet evening at home. The main-level primary suite feels like a retreat, featuring a large bathroom with double sinks, a walk-in shower, linen storage, and a generous walk-in closet. A second bedroom, half bath, and laundry room complete the first floor. The fully finished basement adds even more living space to this great home. Whether you envision a game room, movie area, or home gym, the options are endless! If you work from home or need a craft/hobby room, there is a private office with a closet that would function great for either of those! There is also a full bath, and two storage rooms that make this basement both functional and versatile. Step outside to the deck and enjoy dining under the stars, summer barbecues, or if you have a

green thumb working in the small garden. With thoughtful details throughout, this home is designed for both relaxation and connection!
