Residential on 1.24 Acres

WHITE HALL, WHITE HALL, MD

Set on a picturesque 1.24-acre lot, this 5-bedroom farmhouse offers the chance to bring your vision to life. Believed to have been built before 1900, many components of the home are original. The home will likely require a full renovation. But with its rural setting, generous square footage, and historic characteristics, it holds immense potential for those ready to roll up their sleeves.

Zoned VB (Village Business), the property offers flexibility for a variety of potential uses — including residential, limited commercial, or mixed-use opportunities (buyer to verify with county). This added versatility makes it appealing to both homeowners and investors.

The property is tucked away just minutes from the PA line, offering both seclusion and convenient access to commuter routes, state parks, golf, and orchards. Whether you're looking for a rewarding rehab project, a peaceful retreat, or a unique business location, this property is full of promise.
