COUNTRY WALK, BEL AIR, MD

Welcome to this stunning residence nestled in the desirable Country Walk community. Step through the front door into a dramatic two-story foyer, where gleaming Brazilian cherry hardwood floors flow through the formal living and dining rooms, gourmet kitchen, and inviting family room.

The formal spaces are highlighted by soaring two-story ceilings, expansive windows that flood the rooms with natural light, and elegant recessed lighting. The kitchen is a chef's dream—equipped with a Viking gas cooktop, 2 full size ovens, abundant counter space, wine fridge and an expansive granite island featuring a prep sink, pendant lighting, and seating for casual dining.

French doors from the kitchen lead to a spacious deck and a screened-in gazebo, perfect for al fresco dining or simply enjoying the serene views of the private backyard. The family room also offers deck access through a triple atrium door and features a cozy gas fireplace framed by palladian windows—an ideal space for relaxing or entertaining.

A hallway off the main living area leads to a coat closet, convenient powder room, laundry room, and access to the attached garage.

Upstairs, the luxurious primary suite offers a vaulted ceiling, large walk-in closet, and a spa-like bathroom with a skylight, huge seamless glass door shower, and double vanity. Three additional generously sized bedrooms and a full bath complete the upper level.

Need extra space? The finished lower level includes a walkout and full-size window, providing plenty of room for a recreation area, gym, or home office.

Step outside to an incredible outdoor oasis—an entertainer’s paradise and nature lover’s retreat. Whether you’re hosting a summer barbecue on the expansive deck, relaxing in the gazebo under the ceiling fan, or enjoying evenings by the fire-pit, this backyard is truly special. The property backs to a common area, offering added privacy and peaceful views.

Energy savings with the solar panels! Updated windows (2020) with triple pane in the front and dual pane on sides and back. Tesla charger in the 2 car garage with recent epoxy floor (2025).
