VICTORIAN SQUARE, BEL AIR, MD

Welcome home to this charming, well-maintained Victorian inspired house! Conveniently located in Bel Air, 1335 Artists Lane offers many unique features that sets it apart. The entire house is drenched in natural light thanks to the abundance of large windows throughout. Whether you enter through the front door or the attached garage, you're greeted by an open foyer that carries you to the open dining and kitchen area and gleaming wood floors that carry throughout this level. Plentiful storage and counter space make this kitchen highly functional: with ample cabinets, a pantry, and a specially built broom closet, you have plenty of room to store your essentials. A beautiful marble backsplash elevates the entire space. The open nature of the kitchen and dining area is ideal for entertaining or keeping an eye on the kids while you fix dinner. A cozy living room, surrounded by windows, connects to the deck where you can enjoy the scenic woods behind the property. Rounding out the first floor is a half-bath off of the foyer. Unlike so many three bedroom homes with one bedroom that seems too small to even fit a bed, all three bedrooms offer ample space at 1335 Artists Lane. Second floor laundry offers significant convenience in your day-to-day chores. The spacious hall bath is highly functional and has been recently refreshed with a new toilet, fixtures, and paint. The master bedroom is the crown jewel upstairs: the en-suite bath provides a spa-like experience with a walk-in

shower, soaking tubs, and two separate sinks. This bathroom has also been updated with new fixtures and paint. The bedroom itself features a separate sitting area and a sizable walk-in closet. Heading back downstairs to the walk-out basement, you once again enjoy good daylight, high ceilings, and excellent potential to use as storage, an office, or workout area. The fenced-in backyard provides easy maintenance with enough room to stretch your legs. Dual zone HVAC is a major comfort upgrade. Many updates and improvements have been made, including: new roof and attic insulated (2025), both full bathrooms have been refreshed with updated fixtures and new paint, both AC/heat pump units replaced with Carrier models as well as the lower level furnace replaced (2017), and a new Sunsetter canopy was added to the deck (2022). Don't miss your chance to own this Bel Air Beauty!
