\$845,000

4 Bedroom, 3.00 Bathroom, 3,388 sqft

Residential on 6.05 Acres

NONE AVAILABLE, MARRIOTTSVILLE, MD

Nestled on six private wooded acres, this distinctive stone and cedar style rancher blends rustic charm with modern comfort. The inviting front porch, exposed beams, and pegged hardwood floors are some of the details that reflect timeless craftsmanship and warmth not seen in today's modern construction. The Koi ponds, extensive landscaping, and scenic wooded views add to the peaceful beauty and serenity of the property.

Spacious three-season sunroom spans nearly the length of the home, featuring cathedral ceilings, Andersen doors, and serene wooded views that flow onto a large deck and patio.

Inside, natural stone walls, a striking stone fireplace, and wood-burning stoves add cozy character to the main living spaces.

Originally built in 1964, the home has evolved through thoughtful additions. The 1973 wing expanded the living and dining rooms, while the 2007 addition created a private-entry suite with hardwood floors, cathedral ceilings, panoramic windows, and prepped for eventual kitchen—ideal for in-law or guest quarters.

A workshop behind the oversized garage with double doors opens to the yard—perfect for woodworking, gardening, or hobbies. The flat open grounds offer space for pets, play, and even horses. A separate studio shed provides added flexibility for creative or storage use and is being conveyed as-is.

Recent updates include a newer heat pump (2019), new water heater (2025), roof

(2019-2020), fresh paint, some updated fixtures, and a professionally waterproofed basement. Enjoy public water, private septic, and tranquil surroundings just minutes from shopping, dining, and commuter routes 32, 40, 70, and 695, within an award-winning school district! Home is being sold as-is - Several updates have been completed; additional cosmetic or repair items may be desired.
