Elevated coastal elegance is displayed in this waterfront perched on the banks of Mill Creek. An open floor plan, radiant floor heating, high ceilings in the great room create an ambience conducive to a luxury weekend retreat or full time residence. Water views are celebrated from nearly every inch of the home and the large windows allow for a deep connection with nature. Outdoor living is a highlight with a covered waterfront screened in porch for crab feasts, fire pit with seating providing sweeping views of Mill Creek, and expensive rear decks on each floor. Two bedrooms on the main level make one floor living a breeze including the primary with ensuite bathroom and walk in closet. Stainless steel appliances adorn the kitchen. The great room is impressive, creating a magnet effect for family and friends. Upstairs has an bonus room perfect for your home office. This is a boater's paradise with direct access to the bay within minutes but protected waters at your shoreline. The private dock includes an additional floating pier suitable for kayak excursions. The front yard has thoughtful planting, pea gravel driveway, and potting shed. Across the lane is an additional lot that comes with the property and is currently used for storage.
