MD

Welcome to 4707 Hunt Avenue – A Timeless Treasure in the Heart of Chevy Chase. You won't want to miss this house! Come check out the brand-new updates fresh off the press. The seller temporarily took the home off the market to complete a series of meaningful upgrades for the next homeowner: The hardwood oak flooring throughout the home has just been refinished, along with the poplar and pine railing from the main level to the upper floor. All four levels of the home have been freshly painted—including walls, trim, molding, ceilings, built-ins, and even the basement. The finished attic now features brand new carpet, making this a truly move-in ready home!

Brimming with irresistible charm, this classic Colonial offers warmth, elegance, and thoughtful updates throughout. Soaring ceilings and abundant natural light define the stunning south-facing living and dining rooms, anchored by a charming wood-burning fireplace. A study just off the living room provides the perfect first-floor space for a home office.

An expanded and renovated, light-filled kitchen features high ceilings, a spacious eat-in bay, a large walk-in pantry, and seamless flow to the rear deck and patio—ideal for indoor-outdoor living and entertaining. A well-designed mudroom off the

kitchen offers access to the garage. A powder room and comfortable family room with wall-to-wall built-in shelving complete the inviting main level.

Upstairs, youâ€™ll find three well-proportioned bedrooms and two full bathrooms, including a serene primary suite with en-suite bath. A versatile fourth bedroom or bonus room awaits on the third level, perfect for guests, a playroom, or creative space for a studio. This room contains ample built-in shelving and a sunny window seat perfect for curling up with a book.

Additional highlights include: garage and driveway parking, fresh landscaping, a Georgetown-style garden and patio, hardwood floors, ample storage and built-in shelving, antique crystal doorknobs upstairs, and arts and crafts stained glass light fixtures throughout.

Nestled in one of the most sought-after neighborhoods in Montgomery County, the location is unbeatable. Somerset Elementary School is just a 5-minute walk along a beloved paved shortcut path just off Hunt Avenue. It's also a 5-minute walk to Little Falls Trail which quickly leads to Norwood Park, the Bethesda Pool, or the well-travelled Capital Crescent Trail for a morning walk or easy bike ride into the heart of Bethesda Row.

It's less than a 20-minute walk south to the Friendship Heights Metro for easy commuting downtown, and a 10-minute drive north to the Beltway. Neighborhood sidewalks encourage walkability and contribute to the friendly feel of this charming Chevy Chase community.

And for a change of pace, take a quick weekend drive or metro ride into the heart of Washington, DC for museums, monuments,

and world-class dining that feel a world apart yet right next door.

As a homeowner here, the next buyer could also enjoy access to the Palisades Swim & Tennis Club—set on an eight-acre wooded retreat with three pools, lighted tennis courts, vibrant swim & dive teams, aquatics lessons, social events, and a thriving community—making summer gatherings and year-round recreation effortless luxury. Membership here typically entails an 8–10 year waitlist, so acquiring this home offers a rare chance to bypass that wait and dive right into the club’s spirited lifestyle. Inquire for more information.

This home offers a rare blend of classic architecture, flexible space, and a location that truly has it all. Square footage is based on estimated floor plans provided by the photographer and may differ from public records. All measurements are approximate and should be independently verified.
