KENSINGTON ESTATES, KENSINGTON, MD

Completed in late 2021, this fully custom Scandinavian-inspired home is as pristine as it is beautiful. Form meets function with the steeply pitched gable roofs while crisp white horizontal siding converges with dramatic vertical charred Yakisugi shiplap at the covered entrance. Environmentally and financially friendly, this home boasts an owned solar panel system. Exceptional features of the sundrenched interior include solid white oak hardwood flooring finished on-site, 9-foot ceilings on all three levels, large-scale windows and sliding glass doors, custom shades, and a curated tile selection. Offering 5 bedrooms and 4.5 baths, the floor plan is open and efficient. Main level highlights include: 8-foot doors; a private office; a powder room with floating vanity; a large living room with a charred accent wall, a ledge with discreet storage cabinets beneath, and a 2-sided corner gas fireplace; an airy dining area with a sleek linear pendant light and glass door access to the rear grounds; a European dream kitchen with custom Marfa handleless cabinetry, an oversized contrasting center island, elegant quartz countertops and backsplash, Bosch stainless appliances, and a walk-in pantry; a mudroom with a built-in bench and cubbies against a shiplap wall. Flanked by a white oak slat wall and illuminated by oversized picture windows, the semi-open staircase ascends to the home's upper level which offers a spacious primary retreat with an office alcove,

2 walk-in closets, and a gorgeous spa-like bathroom with a curbless walk-in glass shower and double floating vanities. Two additional ample bedrooms, each with stylish ensuite bathrooms and walk-in closets, grace the front of the house. A wonderful central family room and an adjacent laundry room complete the upper level. Providing inviting overflow and guest space options, the day-lit lower level offers a sizeable recreation room with a wet bar, two bedrooms with walk-in closets, a full bath with a glass-enclosed shower and built-in bench, and a variety of storage options. Outside, a lovely flagstone terrace with a gas line overlooks the large, lush fully fenced rear yard whereas a 2-car garage and concrete parking pad round out the front. Convenient to downtown Kensington, the Marc train, and two metro stations and in the Kensington-Parkwood/North Bethesda/Walter Johnson school zones, this location is exceptional.
