IMPROVED PRICE! The Best Value in Kenwood Park!

Welcome to this updated and move-in ready classic Colonial home located in the sought-after Kenwood Park neighborhood of Bethesda. This elegant, stately and sun-drenched home offers comfortable and easy living with its 4 bedrooms (3 brs upstairs, 4th br/den in the lower level), 3.5 bathrooms, large gathering spaces, and secluded backyard perfect for outdoor fun.

Step through the carved-wood double entry doors to discover a gracious and welcoming entry foyer, an oversized living room, a freshly updated powder room, an elegant dining room with new lighting and a sliding door to the patio, and a cozy family room with a brick wood burning fireplace. The main floor layout flows perfectly for indoor-to-outdoor entertaining. The updated kitchen features a large island, quartz counters, stainless steel appliances, timeless subway-tiled backsplash, and ample storage. This area will be a favorite gathering spot with its adjoining sunroom/breakfast room that also leads to the back yard. As practical as it is lovely, the kitchen leads to a separate laundry room/mudroom with access to the large one-car garage, making it a perfect drop zone when coming home each day.

The upper level features a large primary suite, offering an enviable walk-in closet and an

oversized en suite bath with an extra large separate shower, huge soaking tub, a separate water closet, and double vanities. The secondary bedrooms are also large with great closets and share the updated hall bath. Gleaming oak hardwood floors grace both the main and upper levels.

The lower level features an expansive recreation/family room with new LVP flooring, new windows, recessed lighting, cedar closets, and a basement door to the exterior. The 4th bedroom and the updated 3rd bath round out this level, along with a spacious utility/storage room.

Outside, a large, fully-fenced backyard with a large patio offers a secluded oasis for outdoor activities and al fresco dining. There's plenty of parking with a large one-car garage (with a brand new garage door opener), a carport that runs along the entire side of the house, and parking for 2-3 additional cars.

Ideally located in close-in Bethesda, you'll find yourself only moments away from Bethesda's Downtown with its innumerable dining and shopping venues. Commuting is a breeze with quick access to the Beltway and a fast commute to Downtown DC. Located inbounds to (and a short walk away from) Walt Whitman HS and Pyle Middle School.
