Residential on 0.27 Acres

FAIRIDGE, GAITHERSBURG, MD

There is so much value in this beautiful home; it comes with so many updates! Entering the home, you are greeted with pristine traditional oak floors in the dedicated foyer, which are carried through the main level of the house. The main level also includes a kitchen, formal dining room, family room, and den. The updated kitchen has stainless steel appliances, maple cabinets, plenty of Silestone countertop with an undermount sink, and a sunlit breakfast nook. The large family room has a brick wall fireplace with mantle. From the family room, the sliding glass door opens to a large patio in the fenced back yard. The first floor also features a private home office/den with a closet and access to the half bath. The den could also serve as a 6th bedroom.

Heading up half a flight of stairs, the carpet has been replaced with beautiful hickory 5-inch wide wood flooring. The generously sized primary suite is on its own level for added privacy. It has a large walk-in closet, a dressing area with vanity & sink and a bath that features a maple vanity with granite top and glass enclosed shower.

On the second floor, four additional bedrooms all boast of large closets. The largest bedroom has a wall in closet and added storage in each of the two the eaves. The hall bath has been recently remodeled. An enormous hall closet completes the top level.

Finish it off with a two car garage, newly installed gutters with gutter guards, and two spare freezers and refrigerator. The house has fresh paint throughout the main living areas.

Don't forget, the house also includes Montgomery Village amenities including pools, tennis/pickleball courts, jogging trails, lakes, shopping, and public transportation to get you there!
