KENWOOD PARK, BETHESDA, MD

Hidden Gem!!! Gorgeous, rare half-acre lot in a highly sought-after Kenwood Park! You can build a new one or renovate to your liking. Selling "as is," but this is a very livable home with a minor touch. You can renovate to add bedrooms upstairs while opening up the main level to create a contemporary-style home, or knock it down to achieve the most modern style homes. The house is situated nicely on the lot with a circular driveway and a large rear yard. You can save beautiful mature trees in the front and the backyard, saving on landscaping costs.

Kenwood Park is conveniently located between downtown Bethesda and I-495. And only a few blocks to Whitman High School. A commute to DC is a breeze by local roads.

Built in 1963
