NONE AVAILABLE, BOYDS, MD

This property is a little slice of heaven. Your own oasis of privacy. You would never know that you are only 5 minutes away from I-270 and 15 minutes away from the Capital Beltway. There are 7.3 acres of mostly treed land with about half an acre of cleared land around the home. Among the trees are 8 fully established American chestnut trees and a professionally landscaped design. This custom-built log home is constructed of white cedar logs making it naturally resistant to insects without any chemicals. Step inside to the gleaming white oak floors throughout the majority of the first floor. Observe the centrally located wood stove backed by stones that was quarried from the Potomac that reaches up to the peak of the cathedral ceiling with lovely uplighting. The owner's suite is located on the second floor with its own private balcony, a walk-in closet and bath. In addition to the living room, dining room and kitchen with an abundance of storage in the custom-made cabinetry, there are also 2 good sized bedrooms on the main level. The lower level is partially finished with a great family room. There is also a walk-out, tons of storage and plenty of room for hobbies like wood working. This home has a very large, screened porch, a balcony and a large freshly stained deck with stairs to the yard. You will never want to leave! And for you work from home individuals, high speed internet is available. There is a permanent creek located in the woods. The seller has marked the corners of the lot for you

and there is a plat in the document section of the mls. There are stunning views from every window so you can enjoy the abundant perennials that start blooming in January with the winter blooming Jasmine and proceed through spring and summer, then finish with the wonderful colors of fall.
