Welcome to this rarely available, brick 3-level garage townhome loaded with high end updates in the Churchill School District. Ideally situated at the end of a beautiful, secluded tree-lined cul-de-sac, this spacious home offers stylish living space, blending classic charm with modern upgrades.

The main level features a marble foyer, a striking entirely renovated eat-in kitchen with floor-to-ceiling windows, quartz countertops, custom cabinetry, new appliances, and modern tile flooring. Beautiful hardwood floors lead to the formal dining room with crown molding and custom millwork and arched columns that open to a living room with a cozy wood-burning fireplace with marble surround, and light-filled floor-to-ceiling windows. Glass French doors lead to a private fenced-in slate patio, perfect for outdoor entertaining. A newly renovated half bath completes this level.

Upstairs, hardwoods continue throughout three spacious bedrooms abundant with natural light, brightened by multiple skylights, including one in the hallway and another in the luxurious primary suite spa bathroom. The (2022) primary bath features a Porcelanosa double vanity with KRION Solid Surface sinks and countertop, freestanding Wyndham Collection soaking tub with center drain, walk-in rainfall shower with custom glass pebbled shower flooring and niche, custom lighting, and Grohe chrome fixtures

throughout. The fully renovated upstairs hall bath (2022) includes updated tilework, vanity, niche, lighting, and sliding glass shower doors. One of the secondary bedrooms includes custom California Closet bookshelves, ideal for a home office or reading retreat. Ample storage is available via pull-down attic access.

The finished lower level offers a generous recreation room with custom built-in shelving, new ceramic flooring, a second wood-burning fireplace, a stylish half bath renovated in 2025 with Porcelanosa vanity, mirror and sink, new flooring, and a spacious laundry/utility room with new flooring, utility sink, and 2023 energy-efficient washer and dryer. This level also provides direct access to the one-car garage and driveway.

Recent upgrades include a new cedar shake roof (2021), new and refinished hardwood floors (2023), recessed lighting throughout (2025), HVAC (2016, serviced 2025), water heater (2017), energy-efficient windows and appliances (2022-2023), copper piping for main and internal waterlines, and ceramic tile flooring in the basement (2023).
