A Sanctuary of Timeless Elegance

21612 Ripplemead Drive â€” Brookeville,
Maryland

Step into a world where craftsmanship meets artistry, and every detail whispers luxury. Nestled on more than two serene acres in the heart of Brookeville, this nearly 8,000 square-foot estate redefines refined living with a seamless blend of elegance, comfort, and sophistication.

From the very first moment, the grand marble-floored foyer makes a breathtaking statement. Soaring ceilings, intricate crown moldings, and luminous spaces create a sense of grandeur, while a formal dining room and intimate sitting areas offer the perfect balance of warmth and grace.

The main-level primary suite is a private sanctuary unto itself â€” tray ceilings with recessed lighting, dual custom walk-in closets, a private terrace entrance, and a spa-inspired bath with soaking tub and walk-in shower. Every element is designed for indulgence.

Elevated Living & Entertaining

The heart of the home unfolds in a dramatic living room â€” coffered ceilings, a bespoke stone fireplace, and walls of glass that invite natural light at every angle. The adjoining

gourmet kitchen is a chef's dream: professional-grade appliances, striking stone surfaces, and a sprawling island designed for gathering. Overlooking it all, a lofted lounge creates an inviting retreat with views of the home's architectural splendor.

Upstairs, three-bedroom suites continue the theme of understated elegance, each with hardwood floors, crown molding, and fully customized closets that maximize style and function. French doors open to a sun-drenched balcony, perfect for morning coffee or sunset views.

The Lower Level: A World of Possibilities

A fully finished lower level transforms into an entertainer's playground – a second gourmet kitchen, a temperature-controlled wine room, a private fitness suite, and a tiered movie theater rivaling the finest boutique cinemas. This space offers both comfort and versatility, perfect for intimate gatherings or lavish entertaining.

Your Private Resort Awaits

Outdoors, the lifestyle continues with an enclosed, year-round heated pool, multiple stone patios, a basketball court, and expansive outdoor living areas designed for both celebration and serenity. The attached three-car garage is fully built out with premium finishes, organization systems, and storage solutions, elevating everyday convenience with sophisticated style.

The Pinnacle of Luxury Living

Every finish throughout Ripplemead Drive has been meticulously selected by the owners and builder – a true collaboration of vision and artistry. With its nearly 8,000 sq ft of finished

living space, resort-style amenities, and exquisite attention to detail, this estate is not simply a home, but a lifestyle: timeless, rare, and entirely one-of-a-kind.
