CHEVY CHASE, CHEVY CHASE, MD

Tucked into one of The Town of Chevy Chase's most beloved tree-lined streets on an enviable corner lot, 3921 Aspen Street stands as a masterclass in preserving historic elegance while embracing the comforts of modern living. Complete with an enchanting forsythia wrapped arbor leading to the fully fenced yard, and an updated white-and-blue exterior palette, this beautiful home greets you with storybook charm and a welcoming allure that lingers well beyond first glance.

Inside, an eat-in chef's kitchen with Wolf range, Bosch Dishwasher, and SubZero refrigerator and freezer anchors the main level, and flows easily into the gracious formal dining room. The spacious family room is the heart of the home, with a wood burning fireplace (relined and newly built firebox in 2025), built-in bookshelves and cabinetry with art lighting. Adjacent to the family room you will find a sun-soaked den, which could also serve as a main level bedroom with a full bath, closet and stunning views of the patio. Step through the sliding glass doors to the private patio oasis, completely redone and expanded in 2022 with all new flagstone.

On the second level you will find a handsome primary suite, complete with en-suite bath, as well as two supplementary bedrooms and an updated hall bath. The versatile third level features a private retreat with a tranquil bedroom as well as a den, ideal for guests, a

playroom, or a home office.

Every practical detail has been addressed with the utmost level of care: Roof replaced (2018), two new AC units installed (2021) each with UV light systems (2025), water heater installed (2022), Bosch dishwasher installed (2024), and LG washing machine installed (2023).

This darling home offers a lifestyle as effortless as it is refined. With downtown Bethesda’s shops, ample dining, Metro, and the Capital Crescent Trail just moments away, every convenience is at your doorstep. In a neighborhood celebrated for its charm and walkability, this is a rare opportunity to enjoy turnkey living in one of the area’s most sought-after settings.

*Public record inaccurately reflects the basement as finished, when in actuality it is unfinished with the exception of a small half bath (toilet only). *
