FULLY RENOVATED 3BR/3BA + FINISHED
FLEX BASEMENT ON LARGE CORNER LOT

4116 32nd Street is a rare opportunity to own a completely rebuilt home that combines modern style, thoughtful design, and new systems throughoutâ€”all set on a flat .19-acre corner lot in vibrant Mount Rainier.

This 3-bedroom, 3-bathroom home was taken down to the studs and fully transformed. The property offers approximately 1,750 square feet of finished space above grade, plus a beautifully finished lower level with clean, conditioned spaces that add versatility and bonus square footage for work, play, or guests.

All major systems are brand new, including:

Full 200 AMP electrical heavy-up with new wiring

All-new plumbing throughout

New HVAC system with gas heat and central A/C

New ductwork, insulation, roof, Hardie panel siding, energy-efficient windows, drywall, doors, flooring, fixtures, and appliances

All work was permitted and passed county

inspections, including pre-drywall approvals

The main level offers a bright open-concept living and dining space, a designer kitchen with quartz countertops, soft-close shaker cabinetry, stainless steel appliances, and modern hardware. Two full bathrooms are located on this level, including a new rear bath addition. Two bedrooms sit on opposite ends of the floor plan—each well-sized, one of which could easily serve as the primary bedroom. A full laundry room and an additional flex space (ideal for a home office, creative studio, or playroom) complete the main level.

Upstairs, a finished attic has been converted into a third bedroom with a private full bath and walk-in closet—perfect as a guest suite, a quiet retreat, or an additional primary suite depending on your layout preferences.

The lower level features two clean, finished flex rooms with bright lighting and durable new finishes. These areas offer perfect bonus space for a home gym, movie room, hobby studio, or storage. Though not counted in the bedroom total or official living square footage, the basement was thoughtfully finished to expand the functionality of the home while maintaining a polished and comfortable feel.

Exterior improvements include a brand-new architectural shingle roof, new Hardie panel siding, a fully regraded yard, and reinforced retaining walls. The backyard is fully enclosed with a new chain-link fence and gated access—perfect for pets, entertaining, or gardening. A new concrete driveway runs from the street to the rear of the home, with EV charging capability already installed.

Located just minutes from the DC line and walkable to shops, dining, and parks, 4116 32nd Street offers an ideal balance of quiet

suburban charm and urban convenience.
Whether you're looking for turnkey living,
modern systems, or multi-purpose space, this
home delivers exceptional value and long-term
comfort.
