Brass and black hardware add a sophisticated edge throughout the home, complementing the curated, design-inspired finishes. The main level also includes a luxurious primary suite featuring a spacious walk-in closet and a spa-like en suite bath with a double vanity and a glass-enclosed wet room that combines a rainfall shower and soaking tub for ultimate relaxation. A full hall bath and a cozy loft area, perfect for a desk or reading nook, round out the upper level. Just a few steps down from the kitchen, a large family room addition offers a vaulted ceiling, electric fireplace, and access to the side yard, making it an ideal space to unwind or entertain. The finished lower level expands the living space with a sprawling recreation room, an additional full bath, a large laundry room, and a walk-in storage room, providing abundant functionality for modern lifestyles.
