PISCATAWAY HILLS, FORT WASHINGTON,
MD

Welcome to 13805 Piscataway Dr., a striking post-and-beam mid-century modern-style home in the coveted Piscataway Hills neighborhood. Elevated among the trees and painted a bold, modern blue, this 3-bedroom, 3-bath home sits on a private 1.44-acre lot, blending architectural authenticity with thoughtful updates for a serene escape just a short drive from the city.

Designed in the timeless post-and-beam style, the home's structure is celebrated rather than concealed with exposed wood beams, soaring ceilings, and walls of glass that flood the interiors with natural light.

Warm wood walls and expansive windows create a seamless connection to the surrounding forest, while the dramatic roofline and clerestory windows and clean vertical siding offer standout curb appeal. The light-filled living room features a vaulted ceiling, a statement-making wood-burning stove, and panoramic treetop views.

The open-concept living and dining areas create a warm, inviting atmosphere, while the bright, open kitchen with its center island is the perfect gathering place for family and friends.

The primary suite is a true retreat, featuring a beautifully renovated bathroom with a separate shower and soaking tub. Outside, an

expansive deck overlooks the fenced backyard
â€” ideal for summer entertaining or a quiet
morning coffee surrounded by nature.

Additional highlights include an attached
garage with an electric car charger, a separate
storage shed, and an elevated setting that
provides dramatic sightlines and a heightened
sense of privacy. This is a home that feels
both connected and secluded, offering the
best of modern living in a tranquil wooded
setting.

Nestled in Piscataway Hills, a community
known for its wooded lots, peaceful ambiance,
and access to the Potomac River, this home
offers a true retreat without sacrificing
convenience. Youâ€™re close to marinas,
hiking trails, and the Piscataway Park
shoreline, while still within easy commuting
distance to Alexandria, Washington, D.C., and
National Harbor.

Residents of Piscataway Hills enjoy the
privilege of shared ownership of community
waterfront property (often referred to as Lot
39). It is available for the exclusive use of
residents and includes a boat ramp, picnic
area and large open field. Itâ€™s a regular
gathering place for community activities and a
quiet place on the water that the neighborhood
residents enjoy for hiking, fishing and boating.
