Stunning Potomac River Views | Redesigned
2-Bedroom + Den Corner Residence

Every so often, a truly exceptional home becomes available – one that flawlessly combines architectural sophistication, timeless design, and an unbeatable location. This is that rare opportunity. Ask about the separate exceptional package deal for all the furniture.

Located on the 9th floor of a highly sought-after concrete and steel building, this expansive two-bedroom plus den corner residence has been thoughtfully redesigned and enlarged. The result is a layout that far exceeds the original builder's vision. With two exposures and floor-to-ceiling windows, the home is filled with natural light throughout the day. Thanks to its unique corner position with no immediate neighbors, the residence offers a remarkable level of privacy that's rarely found in urban settings.

The home features spectacular, unobstructed views of the Potomac River, and includes two deeded garage parking spaces and a private storage unit. Three Juliette balconies provide charming outdoor touches and additional light and air flow.

Inside, soaring ceilings and Brazilian

cherrywood floors create a sense of warmth and elegance in the living areas. The upgraded two-cycle HVAC system ensures personalized comfort throughout the home. The chef's kitchen is a standout, featuring granite countertops, stainless steel appliances, a modern tile backsplash, under-cabinet lighting, and custom 42-inch cabinetry.

The spacious laundry room includes a full-size washer and dryer along with built-in shelving for added storage and organization. The primary bedroom offers 2 huge walk-in closets, plus the foyer has a walk-in closet in addition to a foyer coat closet, providing abundant space for wardrobe and storage needs.

The spa-like primary bathroom includes a luxurious soaking tub and a separate stand-alone shower. Both bathrooms have been upgraded with customized mirrors, adding a designer touch. Cellular blinds in the primary bedroom and throughout the home provide style and privacy. The entire home is in immaculate, move-in ready condition. Just bring your bags!

The community offers exceptional amenities, including a rooftop pool and observation deck with sweeping views of the Potomac River, the Washington Monument, MGM National Harbor, and Old Town Alexandria. Residents also enjoy a state-of-the-art fitness center and an elegant lounge that's perfect for entertaining guests. Professional on-site management and concierge service provide added convenience and peace of mind.

This unbeatable location is just minutes from Washington, D.C. and Northern Virginia, offering effortless access to high-end retailers, renowned restaurants, and major transportation routes. The home is also

convenient to National Airport, as well as Andrews and Bolling Air Force Bases.

Offering the perfect balance of luxury, privacy, and convenience, this residence represents city living at its absolute finest.
