****Multigenerational Living**** New Real Estate Agent + New Updates, Disregard days on market**

Welcome to one of the most impressive homes in Temple Hills, ideally located in a desirable neighborhood association and just minutes from Andrews Air Force Base.

Inside, soaring ceilings—over 20 feet in some areas—create a bright, open atmosphere. The main level features a dedicated home office, crown molding throughout, and gleaming hardwood floors with no carpet in sight. A full-size two-car garage provides both convenience and storage. Upstairs, four spacious bedrooms include a remarkable primary suite with its own sitting area, double vanities, a soaking tub, a separate shower, and a walk-in closet that feels like its own room. The finished lower level is a rare find, offering a flexible living space with a full kitchen and private bedrooms — perfect for multigenerational living or hosting guests. Alternatively, it can serve as an incredible basement retreat, with space for a home theater, game room, and gym.

Renovated just a few years ago, this home blends timeless details with modern updates. Elegant finishes, continuous hardwood flooring, and thoughtful design make it a true standout. Don't miss the opportunity to own a one-of-a-kind property in one of the

area’s most desirable and well-maintained associations.
